

SERGIO PETERSEN

Name of organisation: Lwandle (Pty) Ltd
Profession: Student
Position in Firm: Marine Science Assistant / Oceanographic Technician
Date of Birth: 26/03/1992
Years with Firm: 2 years

BIOGRAPHICAL SKETCH

Sergio Petersen is a 4th year student completing his National Diploma (ND) in Oceanography at Cape Peninsula University of Technology. In his second year he joined Lwandle Technologies as a Technical assistant.

As part of the technical team, at Lwandle, Sergio has gained experience in configuring, mobilizing and demobilizing equipment used in the marine environment. This has included exposure to various components of Lwandle's work, particularly through in-office testing, calibration and fieldwork, where he has assisted Marine specialists and Technicians with projects related to oil & gas exploration and port development.
